BE WHO YOU ARE AND SAY WHAT YOU FEEL,
BECAUSE THOSE WHO MATTER DON'T MIND
AND THOSE WHO MIND DON'T MATTER.

DR SEUSS

Carrie K. Jewellery celebrates honesty and being true to oneself. It rejoices in what is real rather than what seems flawless. After all, we are all imperfect and that's what gives us our individuality.

We design for people with a strong sense of self — people who enjoy expressing their individuality and passions through what they wear. People who value the thought and care that goes into each piece of handcrafted jewellery.

We create jewellery that allows you to whisper your mood, shout your passion, affirm your attitude and, ultimately,
Declare your truth.

Veritas by Carrie K. encapsulates the essence of the Carrie K. spirit with three distinct collections of handcrafted, limited production pieces for those who value uniqueness. The unique.
We present GRIT, CHROMA and REBORN.
